Logo Placement : Documentation

It is highly recommended to use the logo in the **TOP RIGHT CORNER** in every document as a watermark (including MS Word, MS PowerPoint etc.) aligned with the provided guidelines.

In case if the logo cannot be placed in the top right corner, then make sure to place it in the bottom right corner with the correct spacing.

Fonts

Selecting the font

- Please note that the fonts listed in this guide are intended for use in marketing and communications only.
- They may not be suitable for website and software design purposes.
- If you need to use a font that is not included in the provided list, it is your responsibility to ensure that there will be no legal conflicts and to obtain prior approval from both the MiHCM Designer team (for logo design and branding consistency) and the management (for final approval).

Font sizes

- Please note that font sizes have not been specified in this guide, as they may vary depending on the specific presentation or document requirements.
- However, it is important to maintain consistency in font sizes throughout the document to ensure a professional and cohesive look.
